HOUSING - \$5,600

Safe and secure housing is a top priority. For \$5,600, a new home is built from concrete, rebar, cement block, and sheet metal, offering protection from floods, insects, and summer heat. This offers families a safe space to call their own for often the first time in their entire lives.

TRUCK - \$20,000

The Rainbow Network staff in Nicaragua spend their days traveling between the 177 rural communities that we serve. Trucks are used to safely transport staff members, enabling them to continue their life-changing work throughout rural Nicaragua..
